

Bijan Ramirez, CFP®
Financial Consultant

Bijan is a Financial Consultant with SVA Wealth Management.

Bijan provides coordinated comprehensive financial planning and investment management. He works with his clients to develop strategies designed to help them meet their financial goals.

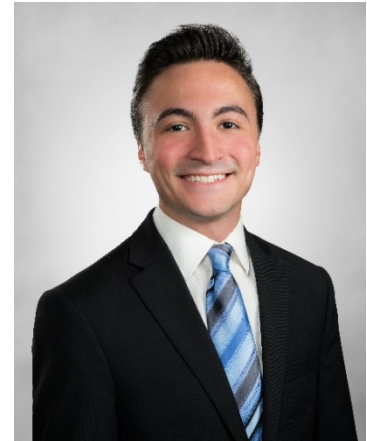

He works with young physicians as they start their medical career and consults on education expenses and student loan funding.

Bijan has a passion for helping others. He believes everybody should have a helping hand in simplifying something as complex as personal finances.

He currently serves on SVA Financial Group's Financial Planning Committee and is involved in establishing and monitoring their planning policies and strategies.

Bijan enjoys traveling around the world as much as his schedule allows. He also enjoys spending time with his family and friends.

Bijan is a CERTIFIED FINANCIAL PLANNER™.
